

# AWARD WINNING SHERWOOD COUNTRY CLUB

In March of 2015, Frontier Golf embarked on a seven month renovation of the prestigious Sherwood Country Club, in Thousand Oaks, California. This Nicklaus Signature Course was reworked from tee to green, including all new golf features, infrastructure drainage, state of the art irrigation system, and an extensive subsurface drainage system, capped with over ninety thousand tons of sand to provide premium growing conditions and playing surfaces. Completing this \$9.7 Million project on time allowed our Client to reopen with resounding approval from the membership as scheduled. Frontier Golf is proud to call the **Award Winning** Sherwood Country Club project a success!
